Care & Cleaning

Caring for your new Go & Grow Chair is very easy.

Simply use a mild soap and damp cloth to wipe down the chair. You may also rinse off the chair outside with a garden hose and allow to air dry. The tray may be rinsed off in the sink and dried prior to use.

Do not allow the chair to remain outside and exposed to the elements of the sun, wind and rain for long periods of time. Do not fold up a damp chair or put the chair back into the bag until it is completely dry.
